

LOOKING FORWARD FOR A LONG RELATIONSHIP.

On behalf of the entire team here, I want to thank you for the opportunity. There are thousands of companies offering these services that you could have chosen, and yet here we are, with an opportunity to earn your business. I cannot understate how much we appreciate being able to put this proposal in front of you today.

we believe in standing out. We stand out as a company by insisting on pushing the boundaries of performance, and by delivering work of the highest quality on-time and on- budget. After all, our clients' satisfaction is what keeps our doors open, and helping you stand out is the best way to make sure you're completely satisfied. We're committed to helping your brand stand out in a crowded market, against a sea of hungry competitors.

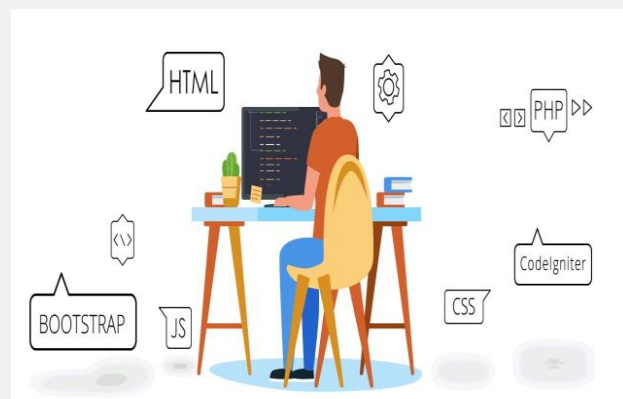

To make things simple for you, this proposal doubles as an executable contract. We've included all necessary terms of agreement at the end, allowing us to move forward with your project immediately.

Thanks again for the opportunity, and I look forward to working for you!

Best Regards

Cybill Technology

Krishna Rajput (CEO)

CYBILL TECHNOLOGY IS A GROWTH AGENCY.

The digital space is transforming the way business is done today. Organizations need to be digital-first in order to attain an advantage. We help them.

As an agency that integrates technology, design, marketing, content and digital strategy, we embrace hard problems and creative challenges in order to drive results.

Cybill Technology process is data-driven and highly iterative; we cut through the clutter those burdens of many organizations.

Our goals are simple. We focus on four, core Key metrics:

- **INNOVATION**
- **CREATIVITY**
- **KNOWLEDGE**
- **QUALITY WORK**

SERVICES WE OFFER

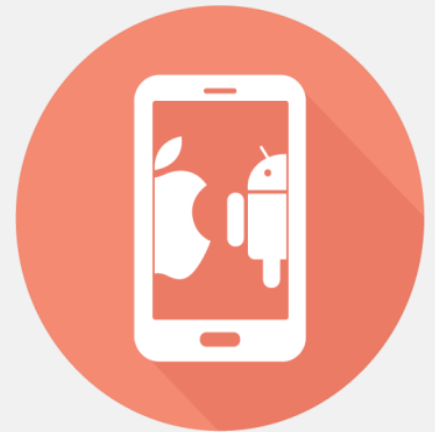

Website Development

We work embodies the intersection of design, technology, content, and marketing. We are obsessively focused on helping organizations achieve core, business goals using the digital space. We design and build websites to impact sales, advocacy, and lead generation.

Mobile App Development (IOS +Android)

Mobile Application development has become a considerable gigantic platform to market the business services and products of any organization. Almost every business person understands the importance of having an app for their respective business. So, if you are an entrepreneur and running a business, then you should also have a business app.

Graphic Designing

We design best-in-class interactive experiences and evolve brands. We create game-changing digital experiences.

Digital Marketing

As a digital marketing agency, we specialize in lead generation, inbound marketing, conversion optimization, and sales nurturing. Our digital process is data-driven and highly iterative. We focus on metrics that measurably boost your business' growth.

ERPs Software

ERP (Enterprise Resource Planning) system delivers adaptable cloud and mobile technology with a unique, all-inclusive user licensing model.

We provide a complete real-time view of your business anytime, anywhere, on any device.

SEO

Cybill Technology is a full-service, digital agency that helps companies achieves success in a digital world. We specialize in search engine optimization (SEO) -- helping clients gain visibility, leads, customers and supporters through search discoverability.
